Proof of passing must be submitted to the department office for review by the end of the 15th week of the second semester of the sophomore year. Students who do not meet the standard may

participate in the first stage of remedial measures (in the first semester of the junior year).

(2) Professional Certificate: Please refer to the department's verification guidelines for graduation professional certificate requirements.

2. Certificate Support Courses (Remedial Measures):

Language Certificate: Students who do not meet the standard may participate in the first stage of remedial measures (in the first semester of the junior year). Alternatively, they may participate in an external English proficiency test or the university's self-administered English proficiency test in the second semester of the junior year. A passing score in either of these is deemed to have fulfilled the English proficiency graduation threshold.
